

Navigating Market Barriers in Biodiesel Distribution

Atul Deshmane, Whole Energy

Helping small producers and coops understand how biodiesel is currently being priced through the supply and distribution chain.

How Biodiesel Flows

Plants

- > Petroleum Distributor Truck
- > Terminal Facility
- > Direct Distribution

Attributes

- > Physical Product
- > RINs
- > LCFS Credits

Pricing Review

- Pricing is Reported by Suppliers
 - Producers post directly to customers
 - Terminal operators post to pricing services
